## How to use Your Child's Birthday Bag

Your child's birthday bag will include items for the adult to prepare, presents for the child, and party favors to share.

There will be a cake mix, a can of frosting, an aluminum baking pan, and candles provided for the adult to make the birthday cake. Other party decorations, such as balloons, streamers, or banners, may be included for use by the adult.

There will be two age-appropriate, unwrapped birthday presents. It is the responsibility of the adult to determine if these presents are age-appropriate for their individual child. There will also be books for the child.

There may be party favors included. It is the responsibility of the adult to determine if these party favors are age-appropriate for the children present at the party, and to oversee the use of these items. All items will be distributed in a large, brightly decorated craft bag.

Your child's birthday bag will be available for pick up on the last Sunday of the month in the month previous to your child's birthday. For instance, if your child's birthday is in May, it will be available for pick up the last Sunday of April. Pick up is at the Georgetown Library between 10:00 a.m. and 11:00 a.m. You will be reminded by phone the week prior to your pick-up date. **PLEASE CONTACT US IF YOUR PHONE NUMBER HAS CHANGED!**
